Local Rules**

PREAMBLE

These Rules are designed and adopted to provide an orderly means of access to the Court and an efficient system for resolution of disputes within the Court. The purpose of the Rules would be subverted if they are invoked by counsel for mere tactical advantage in a proceeding.

The Rules and their divisions are rules of reason. They shall be applied consistent with constitutional requirements, statutes, other court rules, and decisional law in the context of all relevant circumstances. The Rules are to be construed so as not to impinge on the essential independence of judges in making judicial decisions, or as a substitute for substantive law.

It is not intended that every transgression from the Rules will result in sanctions against a party or counsel. The imposition of a sanction and the degree of such sanction shall be determined through a reasonable and reasoned application of the Rules and should depend upon such factors as the seriousness of the transgression, whether there is a pattern of improper activity and the effect of the transgression on the rights of the parties and the merits of the cause before the Court or the perception of the judicial system by the public.

However, in the event sanctions are deemed appropriate, the Trial Judge, in accordance with the inherent powers of the Court and the enumerated powers contained in the Ohio Revised Code, the Ohio Rules of Civil and Criminal Procedure, the Rules of Juvenile Procedure, and the Rules of Superintendence shall have the power to impose sanctions on attorneys, parties, or both, for failure to comply with these Local Rules. Sanctions may be monetary, non-monetary or a combination of monetary and non-monetary. No sanction shall be imposed without providing the offending party and/or attorney an opportunity to be heard, unless the conduct giving rise to the sanction amounts to a direct contempt.

Pursuant to the authority granted in Article IV, §5 (B) of the Constitution of the State of Ohio and the Rules of Superintendence for the Courts of Ohio, it is Ordered that the following be the Rules of Practice and Procedure in the Probate and Juvenile Courts of Belmont County, Ohio.

- 5.2** The names of potential Jurors shall be drawn from a Jury source list compiled from the poll list of registered voters obtained from the Board of Elections and may be obtained from the Ohio BMV list of Belmont County residents who hold a driver's license. The Jury source list shall be representative and shall be as inclusive of the adult population of Belmont County as is feasible. This Court shall review the Jury source list annually. Should the Court determine, upon review, that the Jury source list is not sufficiently representative and inclusive of the adult population of Belmont County, the Court shall direct appropriate corrective action.
- 5.3** Except as otherwise provided, selection of prospective Jurors from the Jury source list, summoning them for service, assigning them to panels, and calling them for voir dire shall be conducted in a random manner, either manual or automatic, so that every person listed has an equal probability of selection. The method utilized shall be documented by the Clerk of Courts. However, departure from random selection shall be appropriate under the following circumstances:
- (A) To exclude persons ineligible for service in accordance with Rule 5.4;
 - (B) To excuse or defer prospective Jurors in accordance with Rule 5.6;
 - (C) To remove prospective Jurors for cause or, or if challenged peremptorily, in accordance with Rules 5.8 and 5.9;
 - (D) To provide all prospective Jurors with an opportunity to be called for Jury Service and to be assigned to a panel in accordance with Rule 5.13.

5.4 All persons on the Jury source list shall be eligible for service except:

- (A) Persons under the age of 18 years;
- (B) Persons who are not U.S. citizens;
- (C) Persons who are not residents of Belmont County;
- (D) Persons who are not fluent in the English language; and

- (D) Said Juror has served at least two (2) consecutive Trial days in one (1) Trial; or
- (E) Said Juror has served a total of two (2) or more Trial days regardless of the number of Trials.

5.6 All Persons on the Jury source list shall be exempt, excused or deferred from Jury Service, in the discretion of the Court or the Jury Commissioners or their authorized representative. Request for exemption, excuse, or deferral of service shall be made in writing. **See Appendix A to Local Rule 5.** Exemptions from Jury Service are as follows:

- (B) The Juror is a full time student at a bona fide educational institution and has requested to be excused;
- (C) The Juror will be on vacation during the period of their respective Jury service.

5.7 Voir dire examination shall be limited to matters relevant to determining whether to remove a Juror for cause and to determine the Juror's fairness and impartiality. Juror questionnaires may be submitted by the attorneys and may be ordered by the court on an individual case basis.

5.8 Upon Motion or **Sua Sponte**, if the Court determines during the Jury Selection process that a prospective Juror is unable or unwilling to hear the matter fairly and impartially, the Court shall excuse that person for cause.

- 5.9 The exercise of peremptory challenges shall be governed by the law of the State of Ohio.
- 5.10 During the voir dire examination, counsel shall not argue their case in any manner; nor shall they engage in efforts to indoctrinate the Jurors; nor shall they ask questions concerning anticipated instructions or theories of law, except for general questioning on the validity and philosophy of the burden of proof and presumption of innocence; Jurors shall not be asked what kind of Verdict they would return under any circumstances. Questions that may be put to the panel of the prospective Jurors as a whole must be asked in that fashion.
- 5.11 The responsibility for administering the Jury System shall be vested in a Court Administrator acting under the supervision of the Administrative Judge and in conjunction with the Jury Commissioners. Pursuant to the above authorization, the Court Administrator shall issue the notice summoning prospective Jurors, Juror Questionnaires, and written requests for exemption, excuse or deferral, which documents shall be in a form approved by the Court and delivered by ordinary mail with readily understandable explanations for completion of the forms, return of the forms, and the consequences for failure to do so. Said explanation shall clearly advise each prospective Juror of their right to request an **in-camera hearing** to determine whether their legitimate private interests warrant non-disclosure of their written responses in their Questionnaires. Any person summoned for Jury service who fails to appear without exemption, excuse, or deferral shall be summoned to show cause as to why that person should not be held in contempt.
- 5.12 The Court shall collect and analyze information regarding the performance of the Jury System on an annual basis, but not later than December of each calendar year, in order to evaluate:
- (A) Whether the Jury source list is representative and inclusive;
 - (B) The effectiveness of the qualification and summoning procedures;
 - (C) The responsiveness of individual citizens to Jury duty summons;

- (D) The efficient use of Jurors;
- (E) The cost effectiveness of the Jury Management System.

- 5.13** The Court shall utilize the service of Jurors in such a manner as to achieve optimum use and minimum inconvenience. To that end, the Court shall determine the minimum number of prospective Jurors necessary to accommodate Trial activity. Until a prospective Juror has been selected by the Court to participate in a Trial activity, the information contained in the Juror Questionnaires shall not be subject to release to the public, since the presumption of openness does not apply until the minimum number of Jurors needed to accommodate the prospective Trial has been Ordered by the Court.
- 5.14** The Court shall provide an adequate and suitable environment for Jurors. Clear directions for the time, place, and manner of checking in and information on parking shall be given to prospective Jurors in advance. The Jury deliberation room shall include space, furnishings and facilities conducive to reaching a fair verdict. The safety and security of the deliberation room shall be insured. To the extent feasible, Jury facilities and procedures shall minimize contact between the Jurors, parties, witnesses, counsel and the public.
- 5.15** Persons called for Jury duty shall receive a reasonable fee for their services and expenses in accord with R.C. §2313.34 and appropriate resolution of the Board of County Commissioners of Belmont County, Ohio. Such fee shall be promptly paid.
- 5.16** In accord with R.C. §2313.18, employers shall be prohibited from discharging, laying off, denying advancement opportunities to or otherwise penalizing the employees who miss work because of Jury service. - 5.17** The Court shall be responsible for providing instructions that are readily understood by individuals unfamiliar with the law and the legal system to prospective Jurors appearing pursuant to summons. The Trial Judge shall:

- (A) Provide preliminary instructions to all prospective Jurors;
- (B) Provide instructions at the commencement of voir dire and/or immediately following the empanelling of the Jury to explain the Jurors' role, the Trial procedure, the nature of evidence and its evaluation, the issues to be addressed and basic legal principles; and
- (C) Provide instructions, prior to deliberations, on the law, procedures that the Jury must follow in deliberating, and the method for reporting the results of deliberation.

At the conclusion of the Trial, after the Jury has completed its service, the Trial Judge shall:

- (A) Advise the Jurors that they no longer have a duty of confidentiality;
- (B) Advise the Jurors as to their rights with respect to inquiries from counsel, the press, or others;

- (F) Dismiss the Jury.

5.18 All communication between the Trial judge and the Jurors, from the time prospective Jurors report to the courtroom until the Jury is dismissed, shall be either in writing or on the record. The parties shall be advised of such communications and shall be given an opportunity to be heard.

5.19 A Jury shall be sequestered only for good cause. Good cause includes insulating members of a Jury from improper information or influence. In a capital case, the Jury shall be sequestered during deliberations of both the guilt phase and the penalty phase of the Trial. The Trial Judge shall have discretion to sequester a Jury on motion or **sua sponte** and shall have the responsibility to set and manage the conditions of sequestration in order to achieve the purpose and to minimize the inconvenience and discomfort of Jurors. Court personnel shall be given training as to escorting and assisting Jurors during sequestration.

RULE 6 – COURT SECURITY

6.1 Pursuant to Rule 9 of the Rules of Superintendence for the Common Pleas Court and Rule 18 of the Rules of Superintendence for the County Courts, a Court Security Policy is hereby established effective July 1, 1995. **See Appendix A to Local Rule 6.**

6.2 Pursuant to Ohio Supreme Court Rule of Superintendence 5.01, the Belmont County Juvenile Court establishes the following rule in the use of juvenile restraints for court hearings:

- (A) Children appearing before the Court shall be free of physical restraint during any hearing unless the judge or magistrate before whom the child is appearing makes an individualized determination on the record that there is no less restrictive alternative to the use of physical restraint and that the physical restraint is necessary because of either of the following:
 - (1) The child represents a current and significant threat to the safety of the child's self or other persons in the courtroom;
 - (2) There is significant risk the child will flee the courtroom.
- (B)** In making the necessary findings to use physical restraints, the judge or magistrate shall consider (1) the nature and severity of the offense for which the child is before the court; (2) the child's prior history with the court; (3) the child's prior and current behavioral history while being held in detention and in the presence of the Court; and (4) any other factors that judge or magistrate deem appropriate in making the individualized determination to apply physical restraints during the hearing.
- (C) The judge or magistrate shall permit the child who is the subject of a juvenile court proceeding, the child's spouse, the child's parent or parents, the child's custodian, guardian, or guardian ad litem, the state, and any other person specifically designated by the court, to be heard on the issue of whether the use of physical restraint is necessary for that particular child at the particular proceeding. This hearing may take place absent the presence of the child as long as the child is represented by an appropriate person and given the opportunity to respond at the time he or she appears in the court room. A child shall not be required to be free of physical restraint during the hearing to determine the necessity of physical restraint.
- (D) This rule applies to court appearances while in the courtroom and shall not be construed to include physical restraints of children when being transported to and from court appearances, throughout common areas or outside of the court or juvenile detention center.

COURT SECURITY POLICY

The Common Pleas Court and the County Courts are charged with dispensing justice, resolving disputes, and protecting the constitutional rights of those who appear before the Courts.

Accordingly, appropriate levels of security should exist in the Courts to protect the integrity of Court Procedures, protect the rights of individuals before it, deter those who would take violent action against the Courts or litigants, sustain the proper decorum and dignity of the Courts, and assure that Court facilities are secure for all those who visit and work there.

Therefore, pursuant to Rule 9 of the Rules of Superintendence for the Common Pleas Court and Rule 18 of the Rules of Superintendence for the County Courts, the Court establish as follows:

- (A) The Courts have appointed a Local Security Advisory Committee, consisting of the Common Pleas Judges, the three (3) County Court Judges, the three (3) County Commissioners, the Sheriff, the Police Chief of the City of St. Clairsville, the Prosecutor, the County Auditor, and a member of the Local Bar.
- (B) The Courts have implemented a Local Security Policy and Procedure Plan, which plan addresses the Security Standards adopted by the Supreme Court of Ohio on October 17, 1994.
- (C) The Local Court Security Advisory Committee has adopted a Security Operations Manual, which Manual shall establish written directives for the purpose of ensuring security within the Courts while maintaining accessibility to the community.

JUVENILE DRUG COURT

9.9 SPECIALIZED DOCKET (JUVENILE DRUG COURT)

A. THE BELMONT COUNTY JUVENILE DRUG COURT

Established in 1999, The Belmont County Juvenile Drug Court is a specialized docket designed in accordance with Appendix I, Specialized Docket Standards of the Rules of Superintendence, to offer a therapeutically oriented judicial approach to providing court supervision and appropriate treatment to substance dependent juveniles involved in the juvenile court system. The Juvenile Drug Court Program has been developed to help the participant gain and maintain sobriety through appropriate drug and/or alcohol treatment; to gain mental health stability, if necessary, by completing assessments,

following recommendations and taking prescribed medications; to ensure compliance with Case Plan objectives; to help obtain and maintain health insurance coverage and to work towards furthering the participant's educational goals.

B. REFERRAL PROCESS AND ELIGIBILITY

Any person may refer a Juvenile to the Belmont County Juvenile Drug Court by contacting the Program Coordinator. The Belmont County Juvenile Drug Court has developed the following eligibility requirements for participation in the program:

(1) Clinical Criteria

- (a) Substance dependent.
- (b) If mental health issues exist, it is believed that those conditions can be effectively controlled by treatment and/or medication.
- (c) Clients who are actively suicidal, homicidal or delusional will not be admitted until those conditions have been assessed by a certified mental health professional as being adequately controlled by medication and/or mental health treatment.
- (d) Clients whose developmental disabilities or mental health issues are so significant that the individual may not be able to juvenile despite achieving sobriety will not be admitted.

(2) Legal Criteria

- (a) Delinquency charge filed in Juvenile Court with underlying substance abuse which has contributed to the delinquency.
- (b) Case must be adjudicated prior to starting Juvenile Drug Court.
- (c) Treatment is required by the assessment.

- (e) Individuals with Drug Trafficking convictions or violent felonies on their criminal record will be considered on a case by case basis.

The fact that a juvenile may meet the clinical and legal eligibility requirements does not create a right to participate in the Belmont County Juvenile Drug Court. The Judge shall have the discretion to decide admission into the program. The Belmont County Juvenile Drug Court is a voluntary program.

C. CASE ASSIGNMENT

The Belmont County Juvenile Drug Court follows a comprehensive model. While in Drug Court, the juvenile will appear on a regular basis for status review hearings before the Juvenile Court Judge. The Juvenile Court Judge will oversee the status review hearings as well as the underlying delinquency case.

D. ASSESSMENT AND CASE MANAGEMENT

Should the juvenile appear to meet the legal and clinical eligibility requirements of the Belmont County Juvenile Drug Court and continues to express an interest in participating in the program, a drug assessment and alcohol assessment and, if applicable, a mental health assessment with Brite Futures Counseling services is completed. If the juvenile is accepted into the program, a participation agreement with the juvenile and parent will be completed. Treatment services will be promptly made available to the participant based upon the participant's individualized needs as

evidenced by the assessments. As described more fully in the Belmont County Juvenile Drug Court Program Description, each participant's substance use shall be closely monitored by random, frequent and observed alcohol and other drug testing protocols that meet the requirements set forth in Appendix I Standard 8 of the Rules of Superintendence. Each participant's performance and progress shall be closely monitored by regularly conducted status team meetings and ongoing judicial interaction which shall occur no less frequently than twice monthly while in the initial phases of the program. As the participant promotes phases, judicial interaction shall become less frequent.

E. TERMINATION FROM THE BELMONT COUNTY JUVENILE DRUG COURT

Should a juvenile be terminated from the Belmont County Juvenile Drug Court either due to an inability to participate (Neutral Termination) or noncompliance with the rules and requirements of the program (Unsuccessful Termination), notice of the termination from the Belmont County Juvenile Drug Court shall be placed in the court file. That notice shall delineate the type of termination. The case is then returned to traditional case processing in Juvenile Court.

F. USE OF INFORMATION FROM JUVENILE DRUG COURT

(2) Pursuant to Evidence Rule 410, statements made in Juvenile Drug Court hearings will be treated as participation in plea discussions and will not be admissible to prove the underlying cause of action.

(3) This Rule does not limit the admissibility of evidence provable by independent, extrinsic evidence.

FAMILY DEPENDENCY TREATMENT COURT

9.10 SPECIALIZED DOCKET (FAMILY DEPENDENCY TREATMENT COURT)

A. THE BELMONT COUNTY FAMILY DEPENDENCY TREATMENT COURT

Established in 2005, The Belmont County Family Dependency Treatment Court is a specialized docket designed in accordance with Appendix I, Specialized Docket Standards of the Rules of Superintendence, to offer a therapeutically oriented judicial approach to providing court supervision and appropriate treatment to substance dependent parents of children who have been adjudicated to be abused, neglected or dependent by the Juvenile Court. The Belmont County Family Dependency Treatment Court strives to help each parent become a fully functioning adult by focusing on sobriety, mental health stability, obtaining a stable living environment, obtaining a legal source of income or continued education, completion of the Case Plan objectives and, if appropriate, reunification.

B. REFERRAL PROCESS AND ELIGIBILITY

Any person may refer a parent to the Belmont County Family Dependency Treatment Court by contacting the Program Coordinator. The Belmont County Family Dependency Treatment Court has developed the following eligibility requirements for participation in the program:

(1) Clinical Criteria

- (a) Substance dependent.
- (b) If mental health issues exist, it is believed that those conditions can be effectively controlled by treatment and/or medication.
- (c) Clients who are actively suicidal, homicidal or delusional will not be admitted until those conditions have been assessed by a certified mental health professional as being adequately controlled by medication and/or mental health treatment.
- (d) Clients whose developmental disabilities or mental health issues are so significant that the individual may not be able to parent despite achieving sobriety will not be admitted.

(2) Legal Criteria

- (a) Abuse, Neglect, Dependency Complaint filed in Juvenile Court with underlying parental substance abuse which has contributed to an inability to effectively and adequately parent.
- (b) Case must be adjudicated prior to starting Family Dependency Treatment Court.
- (c) Treatment is required in the Case Plan.
- (d) Belmont County resident.
- (e) No alleged or substantiated charges of sexual abuse perpetrated by the potential participant.
- (f) No registered sex offenders.
- (g) Individuals with Drug Trafficking convictions on their criminal record will be considered on a case by case basis.

The fact that a parent may meet the clinical and legal eligibility requirements does not create a right to participate in the Belmont County Family Dependency Treatment Court. The Judge shall have the discretion to decide admission into the program. The Belmont County Family Dependency Treatment Court is a voluntary program, but in certain circumstances a parent can be ordered to enter the program.

C. CASE ASSIGNMENT

The Belmont County Family Dependency Treatment Court follows a comprehensive model. While in Drug Court, the parent will appear on a regular basis for status review hearings before the Juvenile Court Judge. The Juvenile Court Judge will oversee the status review hearings as well as the underlying Abuse, Neglect, Dependency case.

D. ASSESSMENT AND CASE MANAGEMENT

Should the parent appear to meet the legal and clinical eligibility requirements of the Belmont County Family Dependency Treatment Court and continues to express an interest in participating in the program, a drug assessment and alcohol assessment and, if applicable, a mental health assessment with Brite Futures Counseling services. If the parent is accepted into the program, a participation agreement with the parent will be completed. Treatment services will be promptly made available to the participant based

upon the participant's individualized needs as evidenced by the assessments. As described more fully in the Belmont County Family Dependency Treatment Court Program Description, each participant's substance use shall be closely monitored by random, frequent and observed alcohol and other drug testing protocols that meet the requirements set forth in Appendix I Standard 8 of the Rules of Superintendence. Each participant's performance and progress shall be closely monitored by regularly conducted status team meetings and ongoing judicial interaction which shall occur no less frequently than twice monthly while in the initial phases of the program. As the participant promotes phases, judicial interaction shall become less frequent.

E. TERMINATION FROM THE BELMONT COUNTY FAMILY DEPENDENCY TREATMENT COURT

Should a parent be terminated from the Belmont County Family Dependency Treatment Court either due to an inability to participate (Neutral Termination) or noncompliance with the rules and requirements of the program (Unsuccessful Termination), notice of the termination from the Belmont County Family Dependency Treatment Court shall be placed in the court file. That notice shall delineate the type of termination. The case is then returned to traditional case processing in Juvenile Court.

F. USE OF INFORMATION FROM FAMILY DEPENDENCY TREATMENT COURT

(1) Pursuant to Evidence Rule 408, statements made in Family Dependency Treatment Court hearings shall be treated as evidence of conduct or statements made in compromise negotiations and are not admissible to prove the underlying cause of action.

(2) Pursuant to Evidence Rule 410, statements made in Family Dependency Treatment Court hearings will be treated as participation in plea discussions and will not be admissible to prove the underlying cause of action.

(3) This Rule does not limit the admissibility of evidence provable by independent, extrinsic evidence.

SUBSTANCE ABUSE INTERVENTION DOCKET (SAID)

9.11 The Substance Abuse Intervention Docket (SAID) is an approximate ninety (90) day program designed to provide education and increase awareness of alcohol and other drug prevention treatment. The goal of this early, effective intervention measure is to reduce drug and alcohol use, general discipline problems, criminal activity, absenteeism, and truancy while enabling the offender to become a productive member of the community.

Only juveniles with a first offense that is considered a misdemeanor by the standards of the Ohio Revised Code are eligible to participate. The juvenile must admit the charges stated in the complaint are substantially true and the minor and their parent(s) must be willing to cooperate and abide by the terms and conditions of an Agreed Order. A

participation fee is determined by the Juvenile Court.

If the minor and family choose to participate in the Substance Abuse Intervention Docket and abide by the terms and conditions of the Agreed Order, then the respective case will not be filed in the Belmont County Juvenile Court, nor will it result in a juvenile record.

Involvement in the intervention is approximately ninety (90) days; however, that time may be extended if necessary. The length of time in the program is dependent on a child's progress and compliance with the specific directives outlined in the relevant Agreed Order.

If during the time of court supervision, the juvenile or parent(s) fail to abide by the terms and conditions of the Agreed Order, or the juvenile is charged with an additional unruly or delinquent offense, or fails or refuses drug and alcohol testing, shows no or minimal effort to succeed in the program, or voluntarily withdraws, then the case will be filed in the Belmont County Juvenile Court.

INTENSE SUBSTANCE PROBATION (ISP)

9.12 The Intense Substance Probation (ISP) program was created in 2010 as an extension of the probation department enabling drug court staff/probation officers to monitor closely youth on probation with drug and alcohol related issues. These probation officers are trained to deal with youth and families facing drug and alcohol addiction issues. Traditional terms of probation apply in addition to more intense monitoring of drug and alcohol usage through various types of drug screens and referrals to drug and alcohol counseling and assessments. The goal is to provide early intervention, education, and determent from continued usage in order to prevent addiction leading to lifelong problems and challenges.

Effective 10/1/11

RULE 12 - DOMESTIC RELATIONS / MAGISTRATE'S OFFICE

General

- 12.1** Domestic Relations filings or cases, include but are not limited to custody issues, paternity, child support matters, visitation rights, and children services cases. No Domestic Relations filing or case shall be filed until the Plaintiff makes a prepayment or deposit with the Clerk in the sum required by the Clerk to secure the costs likely to accrue in such action exclusive of attorney's fees. An indigent party may execute and file with such party's pleading an affidavit of the party's inability to prepay the costs required in this Rule whereupon such pleading shall be filed by the Clerk. In cases wherein the Plaintiff has executed and filed a poverty affidavit, a Defendant filing a Counterclaim shall comply with the provisions of this Rule.
- 12.2** Upon the filing and journaling of the Final Judgment Entry in a Domestic Relations Case, and in the absence of an express agreement to the contrary between the attorney and the client, the attorney representing a party shall no longer be considered counsel of record for such party. Any Post-Judgment Motion filed thereafter shall be served as provided in Civil Rule 75 (I) upon the adverse party.
- 12.3** Unless otherwise expressly Ordered by the Court, all installments of support, whether temporary, permanent, or for an indefinite period, shall be payable by the obligor through the designee of Belmont County Child Support Enforcement Agency of the Department of Job & Family Services (DJ&FS) in addition to poundage equivalent of two percent (2%) as is presently provided in and subject to the future provisions of the Ohio Revised Code.
- 12.4** Pursuant to Juvenile Rule 40 the Court refers to the Magistrate all Domestic Relations cases, all Motions for Ex Parte Orders and/or for Temporary Orders for such cases, all Post Decree Motions for such cases, all matters regarding Child Support Orders, all Petitions for Civil Protection Order, and all Children Services cases, excluding permanent custody hearings filed in the Juvenile Court.

However, a Judge of the Court may exercise his/her discretion to directly handle any matter normally referred to the Magistrate due to special circumstances or the unavailability of the Magistrate.

Furthermore, the Court or the Magistrate may recuse the Magistrate for good cause shown and the Judge assigned to the case will handle the matter.

12.5 Notwithstanding the provisions of Rule 33 to the contrary regarding Hearings on Motions, all Post-Judgment Motions filed in Domestic Relations cases will be forwarded to the Magistrate of this Court to schedule a Hearing, or for Ruling without a Hearing, unless the parties agree upon the relief sought in which case an Agreed Judgment Entry is to be prepared and signed by counsel for the parties or by a party who is not represented by counsel. **Any such Agreed Entry will be prepared for signature by both the Judge and the Magistrate.**

12.6 Unless an Order is issued by the Magistrate or a Judge indicating otherwise, all Domestic Relations cases and filings will be heard by the Magistrate. All documents related to such actions must be filed by the parties or their attorneys with the Clerk of the Court. Any such filings the parties or their attorneys want to immediately bring to the Magistrate's attention must be only copies and must be clearly marked "Copy," and must be directed by the parties or their attorneys to the Magistrate's Office.

Bond for Failure to Appear Before the Magistrate

12.7 Juvenile Rule 40 (C) (2) (e) allows the Magistrate to issue an attachment for an alleged contemnor who fails to appear at a scheduled Court Hearing and to set a bond to secure the alleged contemnor's presence in Court in the future. Such a bond may be set pursuant to Criminal Rule 46. Moreover, the Court/Magistrate may also in **addition** set a "special" personal recognizance bond without waiting to secure more of the information outlined in Criminal Rule 46 (C). The Court/Magistrate in its discretion may allow a special personal recognizance bond by fixing an amount not to exceed the arrearages alleged by the Department of Job & Family Services (DJ&FS) which amount the alleged contemnor may post with the DJ&FS. The payment by the alleged contemnor is to be applied against his/her alleged arrearages. Such an act by the alleged contemnor may be accepted by the Court as an act of good faith that he/she is

willing to purge himself/herself of any alleged contempt and may be the basis to justify a personal recognizance bond. When such payment to the DJ&FS is made known to the Sheriff's Department by the DJ&FS, then the Sheriff may release the alleged contemnor on his own personal recognizance, but only **after** the Sheriff's Office relays to the alleged contemnor the date, time, and place of the next scheduled Court Hearing at which the alleged contemnor is expected to appear.

Ex Parte Motions

- 12.8** If an affidavit alleges a situation so dangerous that serious physical harm is likely to a household or family member, or alleges that the Affiant merely requests to continue the **status quo** which has existed for a substantial period of time, the Magistrate may grant an appropriate temporary Ex Parte Order. However, the Magistrate shall schedule an immediate Hearing or provide an opportunity for a Hearing. Such Hearing date can be included in the Ex Parte Entry or in the event no date is provided, such Entry will reflect a Hearing to be expeditiously scheduled, if requested by the other party.
- 12.9** If an Affidavit or testimony established that one of the parties has already been removed from the residence by Court Order, or has left the residence, then the Magistrate may issue an Ex Parte Order granting exclusive possession of the home to the party remaining in the home.
- 12.10** Ex Parte Orders will be granted on Affidavits alone for mutual Orders not to remove the pre-existing residence of the children from Belmont County, Ohio.
- 12.11** The parties may seek a **Standard** Mutual Restraining Order as outlined below in DPR 6 with an Affidavit so as to keep the peace between the parties regardless of a determination of fault, to immediately lessen the possible adverse impact of the Divorce on children, to preserve the marital property for later division, and to preserve the status quo.
- 12.12** Either party may request the Magistrate by Affidavit that both parties are restrained from one, or more, or all of the following:

- (A) Threatening, abusing, annoying, interfering with the other party or the parties' child(ren);
- (B) Creating or incurring debt (such as credit card) in the name of the other party or in the parties' joint names, or cause a lien or loan to be placed against any of their real or personal property;
- (C) Selling, disposing of, or dissipating any asset, real or personal property, including without limitation: bank accounts, tax refunds, and money (other than regular income) of either party or a child.
- (D) Removing household goods and furnishings from the marital residence without approval of the Court or other party.
- (E) Changing or failing to renew the present health, life, home, automobile or other insurance coverage; remove the other party as beneficiary on any life or retirement benefits without further Order of this Court.
- (F) Changing or establishing a new residence for the parties' minor children without the written consent of the other party or permission of the Court.
- (G) Lessening the time available for the other party to spend with the parties' minor children so that such time is much less than before the filing of the Divorce complaint.

These restraints may be imposed by the Court's Standard Mutual Restraining Order, which is attached as **Domestic Relations Form 101, Appendix B to Local Rule 12**. Domestic Relations Form 101 may be modified to delete any restraints the party is not seeking. The party securing the Order is deemed to have notice of the Mutual Restraining Order when the Order is filed with the Clerk.

12.13 All other requested Ex Parte Order will not be granted without scheduling a Hearing. All Ex Parte Hearings will proceed with sworn testimony on the record and other appropriate evidence to show the need for the Order. Local Rule 6 also applies for Motions before the Magistrate. A date for Hearing must be

secured from the Magistrate's Office either by the moving attorney or by the Clerk of Courts, and the moving party must make a good faith effort to serve That Hearing date on the opposing party or his/her counsel.

Domestic Relations Procedures

12.14 This local Court Rule adopts the Court's promulgated **Domestic Relations Procedures**, which are attached as **Appendix A to Local Rule 12** and have been promulgated by the Court with the assistance of the Magistrate's Office for the more efficient and just processing of Domestic Relations matters.

Appendix A
Rule 12 DR PROCEDURES

PREAMBLE

The following procedures are promulgated by the Court for Proceedings before the Magistrate and Judges of the Belmont County Court of Common Pleas, Juvenile Division on Domestic Relations matters. However, a Judge or Magistrate may deviate from these procedures if in a particular case a Judge or Magistrate finds the interest of justice requires a different procedure.

These Domestic Relations Procedures have been placed under separate cover from the Local Rules to distinguish them from the Rules and to facilitate future amendments by the Court and the Magistrate's Office.

DOMESTIC RELATIONS PROCEDURES / MAGISTRATE'S OFFICE

Supplemental Identification Information

DRP-1 Plaintiff is required to list his/her date of birth on the Complaint, and if known also the Defendant's date of birth. If Defendant files an Answer, and if Plaintiff has not or has inaccurately listed Defendant's date of birth, then Defendant must list his/her own date of birth in the Answer.

Pretrial Orders

DRP-2 Any Order which is not a Final Judgment, or a Final Resolution of a Post Judgment issue in a pending domestic relations action need only be signed by the Magistrate. Such Entries will be prepared by the Magistrate or one of the

attorneys pursuant to the Magistrate's direction and submitted for the Magistrate's signature. Juvenile Rule 40(C)(3)(b) provides:

Any person may appeal to the Court from any Order of a Magistrate entered under division (C)(3)(a) of this rule by filing a motion to set the Order aside, stating the party's Objection with particularity. The Motion shall be filed no later than **ten** (10) days after the Magistrate's Order is entered. The pendency of a Motion to set aside does not stay the effectiveness of the Magistrate's Order **unless the Magistrate or the Court grants a stay.**

Magistrate's Decisions

DRP-3 When a Magistrate's Decision in a Domestic Relations Action or a Post Judgment Motion is made by the Magistrate, the status (waiver or non-waiver) of the fourteen (14) day period to object the Magistrate's Decision will control how the Magistrate's Decision is prepared.

DRP-4 When the parties waive the fourteen (14) day Objection period of Juvenile Rule 40 in writing or in open Court, the Magistrate or the attorneys at the direction of the Magistrate will prepare:

- (A) A Docket Entry for the Magistrate's signature memorializing that the Final Hearing has been held.
- (B) A Decision memorializing the Divorce, Dissolution, or Final Motion Ruling which includes the fourteen (14) day waiver for the signature of the Magistrate **and the Judge.**
- (C) If the Judge chooses not to adopt the Magistrate's Decision, the Judge may direct the attorneys or the Magistrate's Office to prepare an appropriate Decree, Judgment, or Special Entry memorializing a Final Motion Ruling, or the Judge will prepare his/her own Decree, Judgment, or Final Motion Ruling.

- (D) When the Decree, Judgment, or Final Motion Ruling is filed with the Clerk of Courts, the Clerk will serve it on each party and each attorney of record as required by law.

DRP-5

If either one of the parties does not waive the fourteen (14) day Objection in open Court or, if the matter is submitted to the Magistrate for his/her decision after the Hearing, then the entry will be prepared as follows:

- (A) The Docket Entry memorializing the Hearing will be prepared by the Magistrate's Office, or by an attorney, as directed by the Magistrate and submitted for the Magistrate's signature.
- (B) The Magistrate's Decision will be prepared by the Magistrate, or by an attorney as directed by the Magistrate and submitted for the Magistrate's signature. The Magistrate's Decision shall conclude by stating each party has a right to object to the Magistrate's Decision within fourteen (14) days of its filing with the clerk and include conspicuous language stating a party shall not assign as error on appeal the Court's adoption of any finding of fact or conclusion of law in that Decision unless the party timely and specifically objects to the finding or conclusion as required by Juvenile Rule 40.
- (D) The Magistrate's Decision will be filed with the Clerk and a time-stamped copy will be served on each party and/or attorney of record by the Clerk as required by law.
- (E) If the Magistrate's Decision was prepared by an attorney at the direction of the Magistrate, that attorney will also prepare a Decree, Judgment, or Final Motion Ruling which conforms with the Magistrate's Decision for possible signature by the Judge. If the Magistrate's Decision was prepared by the Magistrate's Office, then the Magistrate will prepare a Decree, Judgment, or Final Motion Ruling which conforms to the Magistrate's Decision for possible signature by the Judge.

- (F) The Magistrate's Office will diary the fourteen (14) day Objection period for follow up. After fourteen (14) days the Magistrate's Office will forward the file, any Objections, and the proposed Judgment, Decree, or Final Motion Ruling to the assigned Judge for review.
- (G) If the Judge chooses not to accept the Magistrate's Decision, the Judge will direct an attorney, or the Magistrate to prepare an appropriate Decree, Judgment, or special entry memorializing a Final Motion Ruling, or the Judge will prepare his/her own Decree, Judgment, or Final Motion Ruling.
- (H) When the Decree, Judgment, or Final Motion Ruling is filed by the Judge with the Clerk of Courts, the Clerk will serve it on each party and/or each attorney of record as required by law.

DRP-6

Any Entry, Order, or Decision the Magistrate directs counsel to prepare and circulate to opposing counsel is to be filed with the Magistrate within fourteen (14) days, or whatever other time the Magistrate may fix. Failure to do so, without having received an extension, may result in the Magistrate scheduling a Hearing for the attorneys and/or parties to show cause why one or more of them should not be held in contempt, and sanctioned appropriately. If the counsel who prepares an Entry, Order or Decision of the Magistrate submits to the Magistrate a letter (which has been copied to all other counsel) indicating the following:

- (A) the amount of time given by the Court to file the Entry has expired;
- (B) the Entry has been forwarded to opposing counsel by facsimile or mail on a specified date; and
- (C) opposing counsel has not approved the accuracy of the Entry by signing the Entry and has not notified opposing counsel that there are inaccuracies in the Entry

then the Magistrate may sign the Entry and file it without written approval of the Entry's accuracy by opposing counsel.

DRP-7 Any **Final Orders** recommended by the Magistrate's Decision do not become effective until the Court decided any Objections, and until they are adopted by the Judge issuing the Court's final Judgment entry.

DRP-8 Any **Temporary Orders** issued by the Magistrate ordering the parties to undertake certain actions pending the Judge's Final Judgment Entry will serve as the interim order of the Court while awaiting a Court Ruling on any Objections to a Magistrate's Order or Decision. If an objecting party wants any or all parts from such Magistrate's Order or Decision suspended while that party's Objections are being considered by the Judge, then the party may so request in his Objections to the Court. The Court may grant such a request while considering the Objections and without a Hearing. The Court may issue new Interim Orders as the Court finds appropriate. Any Objection requesting Interim Orders different than the Magistrate's Decision should be accompanied by a proposed Entry for the Court's review reflecting the party's proposed Interim Orders.

Transcripts

DRP-9 Magistrate's Hearings will be transcribed on digital audio tape or CD disc. If the objecting party does not indicate a written transcript will be filed, the Court will listen to the tape when considering any Objections.

DRP-10 The objecting party shall make specific reference to the testimony objected to and to any case or statutory law that supports the party's objection. [Juvenile Rule 40 (E)(3)(b)]

DRP-11 Any party has the option of paying to have the disc transcribed and filed with the Court. The party filing the Objection and indicating a written transcript will be

filed has forty (40) days from the date the Objection is filed to file the transcript. If the transcript is not filed within forty (40) days, the Court can listen to the tape rather than waiting for the transcript to be filed. If a party is seeking to secure a written transcript, he must so advise the Court in writing when he filed his Objection. If either the objecting or responding party seeks to submit a written transcript, that party must advise the Court within fourteen (14) days of the filing of the Objection as to what arrangements have been made to secure a written transcript and when it is expected to be filed.

DRP-12 The following procedure shall be undertaken by the party seeking a written transcript:

- (A) The party shall confer with all the Court-Employed Court Reporters to determine **arrangements for filing a transcript**.
- (B) If the Court-employed Court Reporters are unable to complete the transcript within the time frame **required by this rule, then** the party seeking the transcript is to advise the Clerk of the Magistrate's Office in writing that the Court-Employed Court Reporters are unable to complete the transcript.
- (C) If the Clerk of the Magistrate's Office has time and is able to prepare a transcript, the Clerk will proceed to do so. The Clerk of the Magistrate's Office may charge a reasonable fee for such service.
- (D) If the Clerk of the Magistrate's Office is unable to prepare the transcript, then the party seeking the transcript may hire a private Court Reporter to transcribe the proceeding.
- (E) The Clerk of the Magistrate's Office will provide the tape or disc of the proceedings to the appropriate Court Reporter when notified by the party in writing as to which **Court Reporter** will be doing the transcription.

Failure to expeditiously proceed to secure or to make arrangements to secure a written transcript for filing within the forty (40) days following filing of the Objection may be sufficient reason for the Court to proceed to address any Objection without a written transcript.

Objections to the Court

DRP-13 Objections must be filed with the Clerk and a copy sent to the Magistrate. Civil Rule 40 (E) (3) (b) clearly requires Objections to be “specific and state with particularity the grounds of Objection.” However, the initial timely Objection may be non-specific and without particularity, if the Objection specifically states that such specificity or particularity will be forthcoming in a written brief which shall be filed within a **specific time in the near future** due to good cause. Such good causes may be, but are not limited to:

- (A) The attorney’s schedule.
- (B) The parties are discussing, resolving, or settling some or all issues.
- (C) The parties are awaiting another Magistrate’s Decision or Order which may make the Objection moot.
- (D) The party is having a written transcript prepared for review and filing.

The opposing party has seven (7) days to respond to the Objection or the subsequently filed written brief. (*See* Civil Rule 40 (E) (3) (a)] The opposing party may seek written extensions from the Court for good cause shown. However, if neither a timely written response nor a timely written extension is filed, the Court will proceed to review and decide the Objection as permitted by the Court’s schedule ten (10) days after the objecting party’s brief was filed. [*See* Civil Rule 40 (E) (3)]

DRP-14 The Court requires citations of authorities regarding any disputed legal issue which have not already been briefed in writing before the Magistrate.

Domestic Relations Cases with Children

DRP-15 If minor children are involved in a Domestic Relations case, one or both of the parties must file an IV-D Application before there will be a Hearing before the Magistrate on **any** issue. Before the Magistrate will issue his/her Decision, one or both of the parties must file a Child Support Guideline. The Magistrate or Judge may require each party to file a Certificate of Attendance at the Divorce and Blended Family Program (DBFP) or its equivalent. **A Child Support Guideline must be filed even if the parties have agreed to deviate from the results of a properly prepared guideline.** All parents of minor children who are parties to a Domestic Relations case involving the custody of children may, in the discretion of the Magistrate or Judge, be required to attend a Domestic Relations education program offered by the Ohio State University Extension, Belmont County, Ohio or an equivalent program.

DRP-16 If one or both parties want a Guardian Ad Litem (GAL) appointed, counsel should file a written Motion with the Magistrate's Office for such an Appointment prior to Hearings being scheduled or conducted. The **Magistrate** may Order the party or parties who requested a GAL to post a deposit not to exceed \$1,000.00 for payment of the GAL for his/her service.

DRP-17 If one or both parties want the Magistrate to conduct an interview in chambers with one or more children, counsel should contact the Magistrate's Office to schedule such an interview in the Magistrate's Office either before or after any Hearings scheduled before the Magistrate. Counsel is to advise opposing counsel before making the request, and then is to advise opposing counsel as to the date, time, and location of any scheduled interview. If either counsel wants, they may submit questions of areas of concern to the Magistrate for his/her review before the interview. Such interviews will be tape recorded by the Magistrate.

DRP-18 A child custody information affidavit must be filed when the plaintiff filed the complaint. (*See* R.C. 3109.27) Domestic Relations Form 102 attached to these rules is a model of such an affidavit.

Appeal of Child Support Orders

DRP-19 When an attorney or party appeals to this Court a DJ&FS child support Order or modification Order, or when an attorney or party seeks a child support Order, or modification before this Court, the attorney is to prepare and submit to the Court before, or at the hearing a child support guideline with the figures the appellant contends are appropriate.

Contesting or Seeking the Award of a Tax Exemption for a Child

DRP-20 Awarding the tax exemption to the non-residential parent so the parent will get a greater benefit is not **by itself** a sufficient reason to award the tax exemption to the non-residential parent. Ohio has a long standing presumption in favor of awarding the tax exemption to the residential parent. *See Love v. Rable, 147 Ohio App.3d 63, 70 (Van Wert County, 2001)*. R.C. §3119.82 has codified the circumstances which may support an award of the tax exemption to the non-residential parent.

Pro Se Complaints and DR Motions

DRP-21 The Magistrate will hear Pro Se Complaints. However, Pro Se litigants must comply with all necessary laws, rules of procedure, and local rules. In particular, Pro Se Complaints involving children will not be heard unless an IVD Application is filed, a Child Support Guideline is properly prepared and filed, and when required, there has been attendance at the Divorce and Blended Family Program, or an equivalent program. However, the Court reserves the right to deny any Pro Se Complaint, if the Court believes that granting such Pro Se Complaint may not result in a just disposition of the apparent legal issues.

DRP-22 If a Legal Clinic is operating in Belmont County, any contested Pro Se filing must be discussed by the filing party with the Legal Clinic before the matter will be scheduled for Hearing. The filing party must file with the Clerk a document from the Legal Clinic within sixty (60) days of the original filing

indicating that the matter has been reviewed with the Clinic, and the manner in which the party now chooses to proceed before the Court (e.g. the party has been advised how to proceed him/her self without counsel, or the party is securing counsel by a date certain). Failure to file such documentation may be a sufficient reason to dismiss whatever the party has filed.

Contempt

DRP-23 Motions for Contempt will not be scheduled for Hearing by the Magistrate unless (1) they clearly refer to the **language** of a specific Court Order which the contemnor violated, and (2) they clearly recite specific actions or non-actions by the alleged contemnor on specific dates which constitute the alleged contempt. Without specific written allegations, the Magistrate may dismiss the motion without a Hearing.

DRP-24 If jail time is a possible sanction, the Magistrate will appoint to an indigent, alleged contemnor, counsel at public expense. However, to secure counsel, the alleged contemnor must timely fill out and notarize a financial affidavit which the Magistrate will review to determine if he/she qualifies for the Court appointed counsel. **No counsel will be appointed for a Pro Se party seeking to hold another party in contempt.**

Civil Protection Affidavit

DRP-25 When filing for a Civil Protection Order, the Petitioner must complete the Affidavit attached to the Domestic Relations Procedures as Domestic Relations Form 106 and must attach a true copy of any No Contact Order or the application for a No Contact Order in any other Court.

RULE 23 - LAND SALE (R.C. CHAPTER 2127)

23.1 The provider of such title examination services shall be paid a reasonable fee of not less than One Hundred Dollars (\$100.00). An application shall be submitted to the Court for allowance of any fee over One Hundred Dollars (\$100.00). Any amount paid hereunder shall be included in the fiduciary's accounting to the Court.

RULE 24 - COUNSEL FEES

A. Introduction. The schedule of compensation hereinafter set forth shall serve as a guide in determining fees allowable to an attorney for services rendered as attorney for an executor, administrator, guardian, trustee, or other fiduciary accountable to the Probate Court. Such schedule is a maximum fee to be charged, unless an application for extraordinary fees is filed and approved.

The application for attorney fees shall be accompanied by a computation of attorney fees calculated pursuant to the Schedule of Compensation herein, regardless of whether the attorney is seeking a fee calculated other than pursuant to this schedule. If the attorney fee being sought exceeds the fee as calculated pursuant to the schedule set forth herein, such application shall be accompanied by an itemized statement of time and services rendered by the attorney in addition to the aforesaid computation.

The Court may allow the attorney fee requested without hearing provided the fiduciary and the attorney have signed the application stating the services were necessary, beneficial to the estate and that the amount requested is reasonable. In the alternative, the Court may, on its own motion or that of any interested party, set the application for hearing.

The Court recognizes that Ohio Estate Tax filings have been and will continue to be reduced. For attorney fee purposes, the Court previously reviewed the tax return to verify attorney fee computations. Hereafter, if no Ohio Estate Tax return is filed, the attorney fee application signed by the fiduciary and attorney setting forth a general itemization of assets will be sufficient. This is particularly applicable in the case of joint and survivorship property.

B. Schedule of Compensation.

1. Estates:

a. Four percent (4%) on the first one hundred thousand dollars (\$100,000.00) and three and one-half percent (3.5%) on the balance of the gross appraised value of all real and personal property, or the amount accounting for, whichever is larger (but excluding contributions made by surviving spouse), for ordinary services.

- b. The Court shall fix fees for extraordinary services.
- c. - 2) Termination by the mediator if the mediator determines continuing the mediation would not be in the best interest of any of the participants.
- 3) Termination by any of the participants if approved by the mediator or if not approved by the mediator, approved by the referring judge.

All participants and legal counsel understand and agree that the mediator is neutral and will not make decisions for the participants. Nothing the mediator says is intended as legal advice, and all participants and legal counsel agree that statements made by the mediator will not be regarded as legal advice.

All participants and legal counsel understand and agree that the mediation is voluntary and that there is no requirement to reach agreement unless there is a desire to voluntarily do so.

An Order directing the “exclusion” or “separation” of witnesses or the like, in general terms without specification of other or additional limitations, is effective only to require the exclusion of witnesses from the Hearing during the testimony of other witnesses.
- 32.2** The Order of exclusion or separation of witnesses limits out-of-court contact between witnesses or between witnesses and third-parties, while the matter is proceeding in the Courtroom. Violations of this Order shall result in sanctions, including monetary and/or non-monetary sanctions and/or contempt of Court.
- 32.3** This Rule does not authorize exclusion of any of the following persons:
- (A) a party who is a natural person;
 - (B) an officer or employee of a party that is not a natural person designated as its representative by its attorney;
 - (C) a person whose presence is shown by a party to be essential to the presentation of the party’s cause; and
 - (D) in a criminal proceeding, a victim of the charged offense to the extent that the victim’s presence is authorized by statute enacted by the General assembly. As used in this Rule, “victim” has the same meaning as in the provisions of the Ohio Constitution providing rights for victims of crimes.

RULE 33 – MOTIONS

- 33.1** All Motions, excepting Motions for Judgment by Default and for Temporary Relief in Domestic Relations cases, shall be accompanied by a Brief in Support thereof which shall state the reasons for the Motion and the legal authorities relied upon. When a Motion seeks Post-Judgment Relief, said Motion shall be accompanied by an appropriate deposit, in accord with a schedule adopted by the Clerk, to secure the costs thereof. The Clerk of the Court shall not accept any Motion which is not accompanied by the Brief as required by this Rule, and with respect to Post-Judgment Motions, the appropriate deposit. **(A courtesy copy of all Motions, Responses and Replies shall be submitted directly to the presiding Judge at the time of filing.)**
- 33.2** Unless otherwise Ordered, the non-moving party or their attorney may file an Answer Brief on or before the fourteenth (14th) day following the filing date or service date of the Motion, whichever is later, and the moving party may file a Reply Brief on or before the seventh (7th) day following the filing date or service date of the Answer Brief, whichever is later. No other Briefs shall be accepted by the Clerk of the Court without an Order of the Court. Failure to file a Response Brief may constitute sufficient cause for the Court to grant the relief sought in the Motion filed by the moving party.
- 33.3** All Motions requiring a Brief, as provided for in Rule 33.1 and 33.2, shall be submitted on the Briefs, without oral argument, unless an Oral Hearing is otherwise required to be noticed under the Ohio Rules of Civil Procedure or any other provision of law. In such cases, the moving party, upon filing such Motion, shall provide as a separate part of the Motion a section entitled **Notice of Hearing**, which shall provide a space for the date and time of the Hearing of such Motion to be obtained from the Clerk of the Court. Unless otherwise provided by law or Ordered by the Court, the moving party shall promptly notify the parties or their attorneys of the date and time for the Hearing on the Motion by serving a copy of the Motion, Notice of Hearing, and a Certificate of Service in accordance with the Civil Rules. The endorsement of such Notice on the Motion shall constitute sufficient proof of service of notice.
- 33.4** Notwithstanding anything contained in Rule 33.3 to the contrary, a party may file

a Demand for Oral Hearing on a Motion by endorsing such Demand upon the Motion at the time of filing, or by endorsing said Demand on the Answer Brief at the time of filing, or by so endorsing on the Reply Brief at the time of filing, or by separate instrument filed within the deadlines referred to in 33.2 above. The Clerk of the Court shall immediately notify all parties or their counsel of record, in writing, on forms approved by the Court, of the date and time when the same is to be argued before the Court by sending to them a Notice mailed by regular United States Mail at the addresses of the parties or their attorneys as set forth in the file. An Oral Hearing and Argument shall regularly come before the Court on the first Monday following the expiration of the twenty-eighth (28th) day or on the twenty-eighth (28th) day if such day is a Monday, after the filing of the Motion. A non-moving party may not oppose a Motion by simply filing a **Demand for Oral Argument** without also filing an Answer Brief. **This shall not preclude the Court, in its discretion, to deny an Oral Hearing on said Motion.**

- 33.5** Subject to the discretion of the Court, any party may request an Expedited Oral Hearing by filing with the Motion a **Demand for Expedited Oral Hearing**, wherein said Demand is in the interest of justice and for good cause shown by Affidavit of the moving party or their attorney, and otherwise warrants an Expedited Hearing. At a minimum, the Affidavit must include the factual basis for expediting the Hearing and the time period within which the moving party believes that the Hearing should held. Upon filing of such Demand, the Clerk of the Court shall immediately notify the Judge by providing a copy of the Demand to the Judge, and upon direction from the Judge, notify all parties or their counsel of record of the date and time for the Expedited Hearing, in the same manner as provided in Rule 33.4, in the event the Court agrees that an Expedited Hearing is necessary. In the event the assigned Judge is not available and will not be available in time to address the Motion during the time period described in the Affidavit, the Clerk of the Court shall immediately notify and seek direction from the non-assigned Judge. The Judge may choose to conduct a telephone conference with the parties or their attorneys to resolve the issue of whether the Motion and the Demand for Expedited Oral Hearing demonstrate the need for immediate action.
- 33.6** Ex parte orders may be issued (including sua sponte orders from the Court) for scheduling, administrative purposes or emergencies that do not address substantive matters or issues on the merits under circumstances wherein the

Judge reasonably believes that no party will gain a procedural or tactical advantage as a result of the ex parte order.

33.7 Unless otherwise provided for by law and/or Local Rule 12.8 thru 12.13 and/or Local Rule 33.6 above, **no Motion involving the substantive rights of the parties shall be decided ex parte** during the time periods prescribed for the filing of a Response and/or a Reply, without written or oral notice to the nonmoving parties or their attorney, unless **all** of the following criteria are considered by the Court:

- (A) An Affidavit and/or representations made **on the record** by the attorney representing the moving party, setting forth his or her reasonable efforts to give such notice, including the efforts to reach all non-moving parties or their attorney;
- (B) A finding made upon the attorney's Affidavit and/or representations **made on the record**, that the moving party or their attorney, in fact used, reasonable efforts to notify all non-moving parties or their attorneys that the Motion would be heard, and that the non-moving party or their attorney are incapable of being contacted within the time period set forth in the Affidavit provided for in Rule 33.5 above. In lieu of such a finding, the Court may make such reasonable efforts, itself, or order the moving party to make additional efforts deemed appropriate by the Court;
- (C) Based upon specific facts shown by Affidavit or verified Complaint or by sworn testimony made on the record that immediate injury will result to the moving party within the time period set forth in the Affidavit provided for in Rule 33.5 above, and/or that the risk of harm that is likely to result in waiting until Notice can be given substantially outweighs the risk of harm that is likely to result to the nonmoving party as a result of granting the Motion;
- (D) In an appropriate case, in accord with the discretion of the Court, a moving party may be required to post a Bond in an amount fixed by the Court, to secure to the non-moving party, the damages he may sustain, if it is finally decided that the ex parte order should not have been granted. The party obtaining the ex parte order may deposit, in lieu of

such Bond, with the Clerk of Court currency, cashier's check, certified check or negotiable government bonds in the amount fixed by the Court.

- 33.8** The issuance of Temporary Restraining Orders in civil actions shall be governed by the provisions of Civil Rule 65 (A) and this Rule shall not, in anyway, affect or modify the requirements set forth in Civil Rule 65 (A).
- 33.9** Pre-Trial Motions shall not be filed beyond the deadlines imposed by law or by the Court, or within twenty-eight (28) days of Trial without Leave of Court. The Judge may, upon granting such Leave, establish the times for the filing of Briefs, and the submission of the Motion for Hearing.
